## **RECOMMENDATION**

No action is required by the Board at this time.

## **DISCUSSION**

First 5 California was created by voters under Proposition 10 to recognize that children's health and education is a top priority, especially in the early years of development. The purpose of the Children and Families Commission – First 5, is to implement provisions of Proposition 10, create and adopt plans for early childhood development within the County, consistent with and in furtherance of the purposes of the California Children and Families First Act of 1998.

Wendy Wendt, Executive Director, First 5 staff and community members will offer a brief update on its work allocating funds and advocating for quality programs and services that support local children prenatal to age 5 and their families, with the vision that every child in San Luis Obispo County is healthy, ready to learn, and developing to her/his unique potential.
